## Themed song lyrics

## Chapter 1 by Broccoli

It's simple, you just write lyrics that has the same theme as the previous one.

And it has to make some kind of sense.

Please, add the name of the song:)

For example:

-"I love candies"

-"I want you to lick my lollipop"

Got it?

I'll start with:

"See my crown, I am king, I love their endless worshipping" - Don't mess with me (Temposhark)
